Copy of Electronic Open Access Agreement (eOAA-PHY2)

This is a copy of the Electronic Open Access Agreement that you will be asked to complete online via ScholarOne Manuscripts if your paper is accepted for publication. This document is for your information only – please do NOT print and complete this version of the form. Instead if you’re not able to complete the electronic OAA form online, contact the journal Editorial Office for advice.

OPEN ACCESS AGREEMENT

Date: Contributor name:

Contributor address:

Manuscript number:

Re: Manuscript entitled: (the "Contribution")

for publication in Physiological Reports (the "Journal")

published by Wiley Periodicals, Inc. ("Wiley") on behalf of the American Physiological Society and The Physiological Society

Dear Contributor(s):

Thank you for submitting your Contribution for publication. In order to expedite the editing and publishing process and enable The Physiological Society, of Hodgkin Huxley House, 30 Farringdon Lane, Clerkenwell, London, EC1R 3AW, United Kingdom ("TPS") and the American Physiological Society of 9650 Rockville Pike, Bethesda, Maryland 20814, USA ("APS") and Wiley to disseminate your Contribution to the fullest extent, we need to have this Open Access Agreement executed. If the Contribution cannot be published for any reason, then this Agreement shall be null and void. Publication cannot proceed without a signed copy of this Agreement and payment of the appropriate article publication charge.

A. TERMS OF USE

1. The Contribution will be made Open Access under the terms of the Creative Commons Attribution License which permits use, distribution and reproduction in any medium, provided that the Contribution is properly cited.

2. For an understanding of what is meant by attribution, please refer to Wiley's Open Access webpage.

3. The Contributor may make use of the submitted and peer reviewed versions of the Contribution prior to publication, provided that the final Contribution is cited appropriately as set forth in paragraph E below. Nothing herein shall permit dual publication in violation of journal ethical practices.

B. RETAINED RIGHTS

The Contributor or, if applicable, the Contributor’s Employer, retains all proprietary rights in addition to copyright, such as patent rights in any process, procedure or article of manufacture described in the Contribution.
C. PERMISSION TO PUBLISH
In order to facilitate dissemination of the Contribution in accordance with paragraph A above, the Contributor grants to TPS and APS, during the full term of the Contributor's copyright and any extensions or renewals, a non-exclusive licence of all rights of copyright in and to the Contribution, and all rights therein, including but not limited to the right to publish, republish, transmit, sell, distribute and otherwise use the Contribution in whole or in part in electronic and print editions of the Journal and in derivative works throughout the world, in all languages and in all media of expression now known or later developed, and to license or permit others, including Wiley to do so.

D. CONTRIBUTIONS OWNED BY EMPLOYER
If the Contribution was written by the Contributor in the course of the Contributor's employment (as a "work-made-for-hire" in the course of employment), the Contribution is owned by the company/employer which must execute this Agreement (in addition to the Contributor's signature). In such case, the company/employer hereby grants to TPS and APS, during the full term of copyright, a non-exclusive licence of all rights of copyright in and to the Contribution for the full term of copyright throughout the world as specified in paragraph B above.

For Company/institution-owned work, signatures cannot be collected electronically and so instead please download the printed Open Access Agreement to be found here, ask the appropriate person in your company/Institution to sign the Agreement as well as yourself, and either email a scanned copy or fax the form to the journal editorial office.

E. COPYRIGHT NOTICE
The Contributor and the company/employer agree that any and all copies of the Contribution or any part thereof distributed or posted by them in print or electronic format as permitted herein will include the notice of copyright as stipulated in the Journal and a full citation to the Journal as published by Wiley.

F. CONTRIBUTOR'S REPRESENTATIONS
The Contributor represents that the Contribution is the Contributor's original work, all individuals identified as Contributors actually contributed to the Contribution, and all individuals who contributed are included. If the Contribution was prepared jointly, the Contributor has informed the co-Contributors of the terms of this Agreement and has obtained their written permission to execute this Agreement on their behalf. The Contribution is submitted only to this Journal and has not been published before. (If excerpts from copyrighted works owned by third parties are included, the Contributor will obtain written permission from the copyright owners for all uses as set forth in the Creative Commons Attribution License, and show credit to the sources in the Contribution.) The Contributor also warrants that the Contribution contains no libelous or unlawful statements, does not infringe upon the rights (including without limitation the copyright, patent or trademark rights) or the privacy of others, or contain material or instructions that might cause harm or injury.

I agree to the OPEN ACCESS AGREEMENT as shown above and have obtained written permission from all other contributors to execute this Agreement on their behalf.

Please tick the box below to indicate that the article is a contributor-owned work.
If the article is not a contributor-owned work and is Company/Institution owned work (made for hire in the course of employment), this form cannot be completed electronically.
Pursuant to paragraph D, if your work was made for hire in the course of employment and copyright in your contribution is owned by your Company or Institution, your employer will also need to sign on your behalf, and so this form cannot be completed electronically. Instead please download the printed Open Access Agreement to be found here, ask the appropriate person in your Company/Institution to sign the Agreement as well as yourself, and either email a scanned copy or fax the form to the journal editorial office.
